NOVEMBER 28, 1977

(If asked basis only)

Q - Can you shed any light on a story carried by Rome Communist Daily Paese Sera regarding a threatened bombing of TWA aircraft flying out of Rome?

A - No. I am unable to comment on the story.

Q - Can you tell us whether there is a threat to TWA aircraft staging through Rome and, if so, what is the nature of the threat?

A - No. There are frequent threats to do violence to air carriers and passengers, and it would not be appropriate to comment on them each time such a report becomes public.

Note: Guidance for November 28 on other possible questions is still valid.
